

## A Word from the Pastor

Today, I will share one of my favorite prayers in scripture from the Apostle Paul to the church of Ephesus. This is actually the second prayer in the Book of Ephesians, the first dealt more with enlightenment and this prayer deals with the Lord enabling the believer.

I have been praying about the vision for 2022 as a church for few weeks. I love these verses because it reminds us that Christ must make residence in our heart. We need strong roots grounded in the love of Christ. We need His power, the power of the Holy Spirit to enable, guide and direct each of us in this crazy world. Our relationship starts with the person in the mirror. Live for the Lord today in your marriage, your family, your community and in this church. When we can do that as a church if we actually apply this prayer in our lives in 2022, we can see this community grow spiritually.

God Bless  
Pastor Michael
