A Word from the Pastor

Today, we are taking a small one week break from the Book of Mark to talk about God's view on Life. Meaning we will look at why Christians need to have a Biblical World View on life and why we can't support abortions.

Now that may seem like a simple answer "Thou Shall not murder. "I have seen more and more blame being put on followers of Christ for supporting the recent decision with Roe vs Wade and the Supreme Court. It is important that we always address the things through scripture and yes, the word abortion isn't in the scriptures but God speaking about the womb is. I hope when those discussions come up with friends, family and coworkers about abortion that you can explain biblically why you believe in the importance of life and that everyone is created in the image of God.

God Bless
