A Word from the Pastor

Today in our teaching we will read about the second storm the disciples go through. The last storm Jesus was in the boat, but this time Jesus isn't with them physically, but Jesus knows what is going on in the boat. The verse that stuck with me this week was Mark 6:48.

Mark 6:48 And he saw that they were making headway painfully, for the wind was against them.

Between the hours of 3am to 6am they had rowed for three to four miles and painfully made no headway. Do you ever feel like that in the storm? The wind was against them, reminded of the Bob Segar song "Against the Wind", why do the disciples not stop rowing and call out to Jesus? Think about it, do you? Storms should draw us to Christ, not push us away from him. Storms sometimes can be our fault and sometimes they are just storms.

God Bless
Pastor Michael
