

## Cottage School

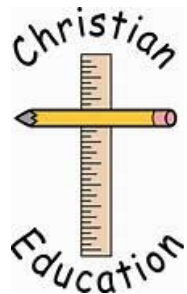

Our cottage school is a classical Christian support for future disciples and their families. Homeschooled children and their families can find the structure and backing in their homeschool life they deeply desire. We currently use Memoria Press curriculum to ensure a well-rounded and solid support system for our children.

However, we know it is not the only beautiful curriculum out there. We can help cover the basics as your child either transitions to Memoria Press or reinforce your current curriculum as homeschooling has its own unique challenges. So, we will be attending homeschool events that are happening locally or we may even just go on field trips, as we are the educators for our own children and hands on fun is always the best!

We meet two days a week on Mondays and Thursdays from 10-3. Drop in and have a look! We do crafts and science enrichment on Thursdays in the afternoon. There is no costs for this. Please come join us!
